

STUDENTS FOR PEACE

Dear

Our country is in the grip of communal violence. Till now we have been passive onlookers but it's our turn now to speak out.

The way we are going to do it is by lighting candles for Peace, and we are going to do it on MG Road so that the whole world can see and hear us.

Come and join us on **Saturday the 13th of February at Gandhi Statue on MG Road at 5.30 p.m.**

"Light a Candle for Peace" is a novel and unique form of demonstrating our concern for our nation that is in anguish today. By this token, we are saying "no" to communal violence and saying "yes" to peace. Join in, spread the word, and pass on the ray of hope!
