The Principal/Head of Institutions

Respected Sir/Madam,

For the first time in decades, our country is encountering the unleashing of communal hatred of unprecedented proportions.

We, a group comprising of students from various colleges in the city have felt that it was time the student community expressed its concern. Under the banner of an independent forum called **Students for Peace**, we students are organizing a peace demonstration.

Called **Light a candle for peace**, our demonstration desires to have over 3000 students from different schools and colleges assembling on the 13th of February on M.G.Road at 5.30 p.m. A human chain will then be formed starting from the statue of Mahatma Gandhi and ending at Trinity Circle.

At dusk candles held by the students will be lit and the flame passed on till it reaches the other end. This would symbolically denote the reaching out of one fellow human being to another in friendship and communal harmony.

Dear Sir/Madam, we kindly request you to extend your support and co-operation into making this event a grand success.

Thanking you in anticipation,

Yours sincerely,

Ravindra Walters & Sunil A. Abraham,
